(B) 85 percent of those families achieved independent living in permanent housing for at least 2 years following termination of assistance.

(2) Reliable data generated from sources other than the Continuum's HMIS that is provided in a narrative or other form prescribed by HUD that it meets both of the following standards:

(i) *Community action.* All the metropolitan cities and counties within the Continuum's geographic area have a comprehensive outreach plan, including specific steps for identifying homeless persons and referring them to appropriate housing and services in that geographic area.

(ii) *Renewing HPC status.* If the Continuum was designated an HPC in the previous federal fiscal year and used Continuum of Care grant funds for activities described under § 578.71, that such activities were effective at reducing the number of individuals and families who became homeless in that community.

§ 578.71 HPC-eligible activities.

In addition to using grant funds for the eligible costs described in subpart D of this part, recipients and subrecipients in Continuums of Care designated as HPCs may also use grant funds to provide housing relocation and stabilization services and short- and/or medium-term rental assistance to individuals and families at risk of homelessness as set forth in 24 CFR 576.103 and 24 CFR 576.104, if necessary to prevent the individual or family from becoming homeless. Activities must be carried out in accordance with the plan submitted in the application. When carrying out housing relocation and stabilization services and short- and/or medium-term rental assistance, the written standards set forth in § 578.7(a)(9)(v) and recordkeeping requirements of 24 CFR 576.500 apply.

Subpart F—Program Requirements

§ 578.73 Matching requirements.

(a) *In general.* The recipient or subrecipient must match all grant funds, except for leasing funds, with no less than 25 percent of funds or in-kind contributions from other sources. For Continuum of Care geographic areas in which there is more than one grant agreement, the 25 percent match must be provided on a grant-by-grant basis. Recipients that are UFAs or are the sole recipient for their Continuum, may provide match on a Continuum-wide basis. Cash match must be used for the costs of activities that are eligible under subpart D of this part, except that HPCs may use such match for the costs of activities that are eligible under § 578.71.

(b) *Cash sources.* A recipient or subrecipient may use funds from any source, including any other federal sources (excluding Continuum of Care program funds), as well as State, local, and private sources, provided that

§ 578.75

24 CFR Ch. V (4–1–13 Edition)

funds from the source are not statutorily prohibited to be used as a match. The recipient must ensure that any funds used to satisfy the matching requirements of this section are eligible under the laws governing the funds in order to be used as matching funds for a grant awarded under this program.

(c) *In-kind contributions.* (1) The recipient or subrecipient may use the value of any real property, equipment, goods, or services contributed to the project as match, provided that if the recipient or subrecipient had to pay for them with grant funds, the costs would have been eligible under Subpart D, or, in the case of HPCs, eligible under § 578.71.

(2) The requirements of 24 CFR 84.23 and 85.24 apply.

(3) Before grant execution, services to be provided by a third party must be documented by a memorandum of understanding (MOU) between the recipient or subrecipient and the third party that will provide the services. Services provided by individuals must be valued at rates consistent with those ordinarily paid for similar work in the recipient's or subrecipient's organization. If the recipient or subrecipient does not have employees performing similar work, the rates must be consistent with those ordinarily paid by other employers for similar work in the same labor market.

(i) The MOU must establish the unconditional commitment, except for selection to receive a grant, by the third party to provide the services, the specific service to be provided, the profession of the persons providing the service, and the hourly cost of the service to be provided.

(ii) During the term of the grant, the recipient or subrecipient must keep and make available, for inspection, records documenting the service hours provided.

§ 578.75 General operations.

(1) Before any assistance will be provided on behalf of a program participant, the recipient, or subrecipient, must physically inspect each unit to assure that the unit meets HQS. Assistance will not be provided for units that fail to meet HQS, unless the owner corrects any deficiencies within 30 days from the date of the initial inspection and the recipient or subrecipient verifies that all deficiencies have been corrected.

(2) Recipients or subrecipients must inspect all units at least annually during the grant period to ensure that the units continue to meet HQS.

(c) *Suitable dwelling size.* The dwelling unit must have at least one bedroom or living/sleeping room for each two persons.
